The Contract for Excellence is a program set up by the state to provide the city with its fair share of state funds in order to provide a sound basic education to students in the NYC school district, including reducing class size. We will be holding a hearing this month on the proposed Contract for Excellence (C4E). We urge all members of our educational community to attend these hearings and express your concerns and provide us with your insights. With your help, we can help ensure that the State Education Department provides sufficient oversights so that NYC complies with the law.
